### 1-8DM

Walk Behind Shot Blaster

Blastrac's 1-8DM is a highly portable, lightweight shot blasting system. Perfect for smaller jobs such as residential garage floors, pool decks, and small industrial floors, the 1-8DM runs on single phase common power. With manual travel speed and 8.75 inch blast pattern, this small blast machine is also ideal for balconies, areas around equipment and obstructions, and other tight spaces. Cost-effective and environmentally friendly, this affordable shot blaster is a labor and time saving cleaning system for small to medium sized jobs.
